

Feddy A. Joseph / Feddy Joseph Design

joseph.feddy@yahoo.com / www.j-fed.com

OBJECTIVE I am a respectful and hardworking student. I am looking for a job position that suits me; one that I can learn from and better myself as a person, in the hopes that I may also be of contribution to your company, seeking designer position while striving to acquire professional licensure.

QUALIFICATIONS A detailed, results-oriented individual with diverse architectural experience. Internships, organizational leadership, international teaching and study has provided a varied level of experience coupled with increased levels of responsibility. Skill sets that blend website design and photography enhance the technical, design and modeling skills already developed. A natural skill set in Information Technology is another asset that can be incorporated into a career path.

SKILL SET Adobe Master Collection (Photoshop, Illustrator, InDesign, Dreamweaver, Fireworks), Microsoft Office Specialist: MS Office Word 2003 Certified

EXPERIENCE

- Teach 9 daily verbal, written and listening lessons to Korean students ages 5-17
- Provide international hiring consultation
- Assist curriculum enhancement, school promotion and student recruitment

EDUCATION Bachelor of Science in Architecture, University of Minnesota
Management Minor, Carlson School of Management
Denmark International Study, Copenhagen, Denmark
Greece & Cyprus International Field Study

HOBBY Includes: drawing, making graphics, playing the piano, playing the guitar, playing the drums, and reading the bible.
